No assurances can be made that the virus will not be contracted by its participants, sponsors or volunteers.   - Do not touch the flag stick.
  - There will be a modification to the cup that only allows for the ball to drop partway into the hole. When the ball is in this position it is considered to have been holed. Please gently remove your ball without touching the flag stick.
  - There are no bunker rakes. Please use your feet or a club to level the surface.
  - Players may take a preferred lie in the bunker without penalty.
