

Presenter Profile

Dayna Gilbert
Managing Director
Forum Asset Management

Dayna Gilbert is the Managing Director of Real Estate Development at Forum Asset Management, where she leads the firm's real estate development \$4.2 billion pipeline. With more than 20 years of experience and over five years at Forum, she specializes in land development, entitlements, and the delivery of purpose-built rental, condominium, and student housing assets from acquisition through construction and occupancy. She brings deep expertise in government and private-sector negotiations, financial feasibility, and execution-driven value creation, leading multi-faceted expert teams across the full development lifecycle.
