

Vibration Institute

2023 Membership Webinar

PRESENTERS:
JANINE KOMORNICK, MANAGER OF OPERATIONS
LINDSEY GREENE, TRAINING & CERTIFICATION SPECIALIST

MODERATOR:
ERIK ANDERSON, TRAINING & CERTIFICATION SPECIALIST

1

Webinar Agenda

- Overview of Membership & Benefits at the Vibration Institute
- Overview of the Member Portal & Features Exclusive for Members
- Questions? Type them in the Chat Box (membership questions only, please)
- This webinar is being recorded for future viewing and all participants will receive a copy of the presentation slides with links to resources

2

Certification vs Membership

- Over 4,000 Individuals Worldwide are Certified Vibration Analysts who have been certified through the Vibration Institute
- Not everyone who is certified is a member, and not all members are currently certified through us
- Membership is separate from Certification, when you join VI as a member, you'll receive a number of benefits!
- The Vibration Institute is a Professional Organization (Association) and also a Non-Profit Organization

3

Why Join?

- Access to Resources!
- Networking Opportunities!
- Professional Development Opportunities!
- Career Center
- Discounts
- Much More!

Piedmont Chapter Event
 Lake Junaluska, NC
 May 2022

8

Become a VI Leader...Join a Committee!

We invite our members to assist the Vibration Institute with our association governance by serving as volunteer leaders!

If you are interested in serving on a committee, please reach out to Janine Komornick, Manager of Operations at jkomornick@vi-institute.org

If you are interested in serving on our Membership Committee, please contact Dr. M. David Howard at mdavid@erbessd-instruments.com
